

FALL 2009

NEW this Fall from Cleveland Landmarks Press!

POP Goes Cleveland!

The impact of Cleveland (and Northeast Ohio) on popular culture by Peter Chakerian

The Environmental Movement, Paul Newman, Nirvana, Forrest Gump, Nine Inch Nails, and LeBron James. Food, music, radio, television, and movies. The list goes on and on. What do all of these and other popular culture touchstones have in common?

The answer might surprise you: Northeast Ohio. Equal parts reference manual, trivia guide, photo album, and love letter, this book celebrates the "symbiotic relationship" between the region and its residents, many of whom have helped define American culture as we know it today.
